

RIBA North Update

Andrew Ruffler

Director, RIBA North West

“Become an internationally significant architecture centre delivering the RIBA’s existing national priorities, whilst having its own identity and responding to local opportunities and context”

RIBA North will comprise:

- Café and shop
- Architecture gallery (museum standard)
- City Gallery (to house interactive model and displays about Liverpool)
- Lecture space
- Office with shared work-space opportunities

Opening exhibition:

- *Liverpool(e): Mover, Shaker, Architectural Risk Taker*
- Explores and celebrates Liverpool as place of architectural imagination and invention
- 36 items from our collections
